

Introduction

Upper Ouachita National Wildlife Refuge is one of over 550 national wildlife refuges. The primary objective of a national wildlife refuge is to provide habitat for the conservation and protection of all species of wildlife, particularly waterfowl and other migratory birds. The harvest of animals is one tool used to manage fish and wildlife populations. Carefully managed hunting and fishing help maintain these populations at a level compatible with the environment, provide wholesome recreational opportunities, and permit the use of valuable renewable resources.

The regulations in this pamphlet supplement the general regulations governing hunting and fishing on national wildlife refuges as set forth in Title 50, Code of Federal Regulations. Hunting and fishing will be in accordance with applicable state regulations except as noted below.

As you use the refuges, take pride in America and the refuge resources. Report violations promptly. Respect the rights of others using the refuge.

Refuge is open from sunrise to sunset except for legal hunting and fishing. The Mollicy Unit is closed to nighttime activities.

Warning

Use caution when operating boats or wading in flooded areas of the refuge. Obstructions/obstacles may be submerged and unmarked.

All boats must comply with state law and display proper navigation lights from sunset to sunrise.

General Hunting Regulations

By hunting or fishing on the refuge, you can be subjected to fish and game inspection.

Permits

A signed refuge hunting permit (front of this brochure) must be carried by all hunters.

A Self-clearing Permit is required for hunting on the Refuge. Self-clearing Permits can be obtained at entry points of the Refuge and at Headquarters on D’Arbonne NWR and the Visitor Center at Black Bayou Lake NWR. Self-clearing permits consist of three portions: Check-In, Check-Out, and a Vehicle tag. The Check-In Portion must be completed and put in the permit box prior to each day’s hunt. The middle portion is the Daily Hunting Harvest Permit that must be carried by each hunter while on the refuge. At the end of the day’s hunt, the Daily Hunting Harvest Permit should be completed including hours

spent hunting, species hunted, and number harvested (must indicate zero if no game harvested) and put into permit box before exiting the Refuge. Each person parking an automobile on the Refuge must leave the Vehicle tag on the dashboard of the vehicle face up so it can be read from outside of the vehicle. Each person riding in the vehicle should display their Vehicle tag on the dashboard.

Limited Youth Hunts

A special limited permit is required for the Limited Youth Turkey hunt. To apply for a limited youth hunt, type or plainly print your name, address, date of birth, and phone number on the front of a **U.S. Postal Service postcard**. Unofficial postcards will be discarded prior to drawing. Send all postcards **in an envelope** addressed to the Refuge Manager at the address on the back of this brochure. You may only apply once. Youth Turkey applications must be postmarked from January 1 - February 15th.

Restricted Areas

Hunting is restricted in certain areas as shown on the hunting map.

Refuge hunting seasons apply to all navigable waterways that are wholly within the refuge boundary.

Hunters may enter the refuge no earlier than 4 am and must exit no later than two hours after legal shooting hours unless otherwise specified.

Youth

Youths are generally defined as those individuals 17 years of age or younger except for migratory bird hunts, youth are defined as 15 years old or under. Youths under the age of 16 may hunt without hunter education certificate if they are accompanied by and under direct supervision of a person born before September 1, 1969, that has a valid hunting license; or they are accompanied by and under the direct supervision of a person who is 18 years of age or older and has proof of successful completion of a hunter education course approved by Louisiana Department of Wildlife and Fisheries. Direct supervision means that the person being supervised is within a normal audible voice contact and in direct line of sight of the supervising person at all times while hunting. The supervising adult is responsible for ensuring that youth hunters do not engage in conduct that would constitute a violation of refuge regulations. An adult may supervise only one youth on a big game hunt and no more than two youths on a small game or waterfowl hunt.

Firearms and Ammunition

It is the responsibility of visitors to understand and comply with all applicable state, local and federal firearms laws before entering the refuge.

For public safety reasons, hunters are prohibited from discharging a firearm within 100 feet of the centerline of public roads, maintained refuge roads or rights-of-way, including ATV trails and electric transmission lines. No hunting on or within 50 feet of an oil or gas well tower. Target practice is prohibited on the refuge.

Firearm ammunition, used for hunting, larger than a .22 caliber rim-fire, shotgun slug, or buckshot are allowed only during refuge gun deer season. Lead shot is prohibited for all hunting, except buckshot, when authorized.

Safety

All hunters must wear hunter orange including orange hat during the refuge gun deer hunt as per state deer hunting regulations on WMAs. Hunters participating in special dog season for rabbit hunting must wear an orange hat. Waterfowl hunters during Refuge deer gun hunts must wear hunter orange per State deer gun hunting regulations on WMAs to and from hunting locations. Although highly recommended, the International Bowhunters Education certification is no longer required to archery deer hunt on the refuge.

ATV Regulations

ATVs are permitted on trails designated for their use (see map). The trails are marked with signs and will be closed March 1 through August 31. ATVs are prohibited from one hour after legal shooting hours to 4 am. Raccoon hunters may not use ATVs. **ATV tires are restricted to those no larger than 26 x 12 with a maximum 1” lug height and a maximum allowable tire pressure of 12 psi. as indicated on the tire by the manufacturer. ATVs cannot exceed 750 lbs., 85” in length and 48” in width. Use of all other ATVs or ATV tires is prohibited on the refuge.** Exceptions to ATV trail closures are the ATV trail south of the levee on Mollicy Unit and the ATV trail from Eagle Nest Parking Lot to Cheney Slough which will be open March 1 through August 31 for fishing access only (see map).

Summary of Recent Regulation Changes

- 1. Either sex deer gun hunting season is November 2-3, November 29-30 and December 1 and 7-8, 2019.
- 2. No boats permitted at Mollicy inside the levee after 1:30 pm from November 1-January 31.
- 3. Waterfowl hunters during Refuge deer gun hunts must wear hunter orange per State deer gun hunting regulations on WMAs to and from hunting locations.
- 4. Surface drive motors not allowed on Refuge after 1:30 pm from November 1-January 31.
- 5. No launching boats or operating boats in closed areas, including designated roads and ditches.

Refuges Public Use

Regulations 2019-2020

Prohibited Activities

- Camping
- Open fires
- Littering
- Possession of deer and/or turkey gobbler decoys
- Overnight parking
- Overnight mooring of house boats
- Target practice
- Taking of wildlife and plants other than specified in refuge regulations
- Cutting of vegetation, including limbs
- Use of airboats
- Using motorized vehicles off the designated public access roads. This includes motorcycles, ATVs, jeeps, cars, trucks, etc. Parking is restricted to parking areas and along public access roads which are shown on map. (see map)
- Taking or possession of waterfowl, big or small game, fish, or plants by use of a guide or outfitter.
- Driving or screwing a nail, spike, or other metal object into a tree or hunting from any tree in which a nail, spike, or other metal object has been driven or screwed.
- Possession or distribution of bait while in the field and hunting with the aid of bait, including any grain, salt, mineral, or any non-natural occurring food attractant on the refuge.
- Participating in deer drives
- Possessing or using alcoholic beverages
- Searching for or removing any object of antiquity, including arrowheads, pottery or other artifacts
- Using horses and mules
- Leaving personal property overnight (includes boats, deer stands, blinds, decoys)
- Leaving flagging or other trail markers
- Nighttime activity on Mollicy Unit

Warning

Mercury contamination has been documented on the refuge. On July 29, 1992, the State of Louisiana issued the following consumption regarding fish from the Ouachita River: For pregnant women and children (less than seven years of age), consume no bass, and limit consumption of other species of fish to two meals per month (a meal is considered to be half a pound of fish for an adult). For non-pregnant women, men and children (seven years of age and older), limit the consumption of bass to two meals per month, and there is no limit on other species of fish.

Elevated levels of mercury have been found by the Fish and Wildlife Service in other species of fish and it is recommended that no fish caught on the refuge be eaten.

Signs and Boundaries

Signs are useful tools in regulating the use of a public area. The wording applies to the areas behind the signs. Pay attention to the signs, watch for boundary corners, and check your location with the maps.

This sign marks the refuge boundary. Public entry by foot is generally authorized at all times on the refuge. However, other refuges in the system may have different regulations concerning general entry. Always know the regulations before entering.

This sign means that the area is closed to all entry. Do not trespass behind this sign for any reason other than emergency. Exception: Check with refuge office for information.

This sign means no motorized vehicles beyond this point. This applies to all cars, trucks, jeeps, all-terrain vehicles, and motorcycles. Non-motorized bicycles are allowed.

This sign designates the Louisiana-Arkansas state line. Refuge regulations may differ between states.

2019-2020 Hunting Seasons / Regulations		
Type	Season Dates	Specific Regulations
Ducks, Goose, Coot	State season, including Special Teal Season and Youth Waterfowl Season	Hunting until noon. See map for areas closed to waterfowl hunting. Construction of and/or hunting from permanent blinds is prohibited. Boats, blinds, and decoys may not be left unattended overnight. No boats permitted at Mollicy inside the levee after 1:30 pm from Nov. 1 - Jan. 31. Trailered boats can only be launched from designated boat ramps at the Molicy Unit. Waterfowl hunters must be off the Refuge by 1:30 pm. No surface drive motors allowed on Refuge after 1:30 pm from Nov. 1 - Jan 31. No launching boats or running boats in closed areas including designated roads and ditches.
Mourning Dove	First split of State season	State limits and shooting hours. Steel shot or approved non-toxic shot only.
Limited Youth Turkey	Limited hunt-first Saturday of State Youth Turkey hunt	Drawing for 7 youth hunters. Instructions for applying are located inside this brochure. Successful applicants will be notified. Guides will be furnished. Parents welcome.
Quail, Woodcock	State season	Bird dogs may be used for hunting.
Squirrel, Rabbit	State season, except closed in spring season and during deer gun hunts	Dogs may be used for hunting after the last refuge deer gun hunt. Use of dogs in aid of hunting is prohibited on Mollicy Unit, except for waterfowl hunting only.
Raccoon, Opossum	December 1, 2019 - January 31, 2020 for night hunting. May be taken during daylight hours of rabbit and squirrel season.	Elevated levels of mercury contamination have been found in refuge raccoons. It is recommended that they not be eaten. Raccoons taken on the refuge may not be sold for human consumption.
Feral hogs, coyotes, and beaver	All refuge hunts	No bag limit—may be taken only with weapons legal for particular season. Hunting feral hogs with dogs is prohibited.
Deer Archery	State season	Possession or use of pods is prohibited. Limit of one antlered and one antlerless deer per day. Possession or distribution of bait while in the field and hunting with the aid of bait is prohibited, including any grain, salt, mineral, or any non-natural occurring food attractant on the refuge.
Deer Gun	November 2-3, 29-30, and December 1 and 7-8, 2019 either sex	Still hunting only. Limit of one antlered and one antlerless deer per day. Possession or distribution of bait while in the field and hunting with the aid of bait is prohibited, including any grain, salt, mineral, or any non-natural occurring food attractant on the refuge.
No deer stands allowed on pine trees with painted white bands/rings. Deer stands and blinds may not be left unattended. Muzzle loading firearms may be used during refuge deer gun hunts but refuge does not have a special muzzle loading season. No deer hunting within 100 feet of the centerline of public roads, refuge roads, ATV trails, electric transmission lines or within 50 feet of gas well towers or other production facilities.		
Frogging	State season	See state regulations.
Fishing and Boating	Year round except No Hunting Area on Mollicy Unit where fishing will be permitted March 1 - August 31. Wigeon Ponds are open year round for fishing.	See state regulations. Exceptions: Commercial fishing is prohibited. Recreational fishing using commercial gear (slat traps, etc.) requires a special refuge permit. Ends of trot lines must be attached by a length of cotton line which extends into the water. Trotlines and yoyos must be tended daily. Trotlines lacking cotton line or having exposed hooks are subject to removal by refuge personnel. No boats permitted at Mollicy from Nov. 1- Jan. 31 after 1:30pm. Trailered boats can only be launched from designated boat ramps at the Mollicy Unit. Trolling motors only at Irvine Lake and Wigeon Ponds. No surface drive motors allowed on Refuge after 1:30pm from Nov. 1 - Jan. 31.
Crawfishing	State Season	Collapsible twine nets only. Daylight hours only. Nets cannot be left overnight.

Upper Ouachita National Wildlife Refuge

The Mollicy Unit includes all refuge lands inside the levee east of the Ouachita River
