

Office of External Affairs

Together, we will connect lands and waters to sustain fish, wildlife and plants by being visionary leaders, bold innovators and trusted partners, working with and for people.

Pursuing common-sense, collaborative communications solutions to bolster breakthrough conservation

The Office of External Affairs is an in-house, full service communications consulting shop dedicated to serving the U.S. Fish and Wildlife Service and its partners in the South Atlantic-Gulf & Mississippi Basin Regions. Relying on innovative expertise and strategic relationships, our goal is to aggressively support the agency's highest conservation priorities through strategy-focused communications. We endeavor to provide integrated communications consulting with a high degree of discipline, mastery, and imagination benefiting breakthrough conservation initiatives that focus on our highest priorities, help achieve long-term policy goals and bolster the U.S. Fish and Wildlife Service's place as America's premier fish and wildlife conservation agency.
