Alligator Hunting Regulations 2019 - 2020

Alligator Hunting Regulations General Provisions

Arthur R. Marshall Loxahatchee National Wildlife Refuge is part of a system of refuges administered by the U.S. Fish and Wildlife Service. Public hunting is an appropriate use of our alligator resources and is allowed on 30,000 acres of the refuge's 145,188 acres.

This brochure contains special regulations that supplement state laws with Title 50, Code of Federal Regulations. These Refuge specific regulations are in place to protect our natural resources while providing a rewarding outdoor experience. These Refuge specific regulations may be more restrictive than, and supersede the State law. Careful adherence to these regulations and due respect for others will ensure the future of alligator hunting on Arthur R. Marshall Loxahatchee National Wildlife Refuge.

General Hunting Regulations

Season: The refuge open alligator season is concurrent with the state season. Hunting is permitted the first two weekends during Harvest Period 1 and the first two weekends during Harvest Period 2. Following the close of Harvest Period 2, the remaining weekends in October will be open for alligator harvest permittees that possess unused CITES tags.

Hunt Days: Weekend days only – Friday night through Sunday.

Daily Shooting: Hunt hours are more restrictive than the State. Hunt hours will be one hour before sunset Friday night to one hour after sunrise Saturday morning and one hour before sunset Saturday night to one hour after sunrise Sunday morning.

We allow hunting in the interior of the refuge south of latitude line North 26° 27.130', including the canals South of that line. (see map) We prohibit hunting from levees and areas posted as closed.

Alcohol: The possession or use of alcohol while hunting or operating a boat is prohibited.

Licenses and Stamps: Hunters 18 years and older must be in possession of all necessary State and Federal licenses, permits, and CITES tags, as well as a Refuge hunt permit while hunting on the Refuge. They must possess an Alligator Trapping License with CITES tags or an Alligator Trapping Agent License,

if applicable. All hunters must read, sign, and carry the Refuge Alligator Hunt Permit. By signing and carrying the permit the hunter is acknowledging awareness of all Refuge specific regulations.

Any unlicensed non-hunting observer may be on the boat with the licensed and permitted alligator hunter.

The Refuge Alligator Hunt Permit can be found online at www.fws.gov/refuge/arm_loxahatchee.

Methods of Take: Alligators may be taken using hand held snares, harpoons, gigs, snatch hooks, artificial lures, manually operated spears, spear guns, and crossbows. Alligators **may not be taken** using baited hooks, baited wooden pegs, or firearms. Bang sticks with non-toxic ammunition are only permitted for taking alligators attached to a restraining line.

Captured Alligators: We prohibit catch and release. Once the alligator is dead, a CITES tag must be locked through the skin of the carcass within six inches of the tip of the tail. The tag must remain attached to the alligator at all times.

Please Read This Important Message Attention Hunters!

Hunting on a national wildlife refuge is a privilege and your behavior while participating in this hunt may affect future hunting on refuges.

Every national wildlife refuge in this state provides habitat for several endangered or threatened species. Federal and State laws prohibit any activity that might harm endangered or threatened plants or animals. We believe that these hunts can be conducted without harming any endangered species and have taken certain precautions to make it so. We cannot, however, prevent irresponsible acts by hunters, and if such acts do occur, we may be forced to discontinue the hunt.

The following endangered (E) or threatened (T) species of wildlife may be found on Arthur R. Marshall Loxahatchee National Wildlife Refuge:

Federal and/or State Listed

Crested Caracara - T
Eastern Indigo Snake - T
Florida Panther - E
Florida Sandhill Crane - State T
Least Tern - State T
Snail Kite - E
Southeastern American Kestrel - State T

Remember: Your hunt permit authorizes you to take only alligators. Harming or needlessly disturbing any other wildlife, including any birds, mammals, turtles, frogs, lizards and even poisonous snakes, is a violation of federal law and is cause for prosecution.
