

# **Correlated Activities**

# Correlation of Activities to National Science Education Standards

Activity	Content Standard	
1) Focus on Ecosystems All Levels (4-8) "Eco Investigator"	4	C: Life Science D: Earth Science E: Science and Technology F: Science in Personal and Social Perspectives
	5-8	C: Life Science F: Science in Personal and Social Perspectives
2) Focus on Concepts Beginner (4) "Learn the Terms"	4	C: Life Science D: Earth Science E: Science and Technology F: Science in Personal and Social Perspectives
3) Focus on Concepts Intermediate (5-8) "Learn the Terms"	5-8	C: Life Science F: Science in Personal and Social Perspectives
4) Focus on Species Beginner (4) "Becoming"	4	C: Life Science D: Earth Science E: Science and Technology F: Science in Personal and Social Perspectives G: History and Nature of Science
5) Focus on Species Intermediate (5-8) "Will I Survive?"	5-8	C: Life Science F: Science in Personal and Social Perspectives

6) Focus on Connections All Levels (4-8)  
 “Web of Life”

4

C: Life Science  
 D: Earth Science  
 E: Science and Technology  
 F: Science in Personal and Social Perspectives

5-8

C: Life Science  
 F: Science in Personal and Social Perspectives

7) Focus on Value All Levels (4-8)  
 “Wildlife Rap”

4

C: Life Science  
 D: Earth Science  
 E: Science and Technology  
 F: Science in Personal and Social Perspectives  
 G: History and Nature of Science

5-8

C: Life Science  
 F: Science in Personal and Social Perspectives

8) Focus on Decision Making Intermediate (5-8)  
 A Public Hearing for the “Weetzel”

5-8

F: Science in Personal and Social Perspectives
