Mr. Richard Drake  
[REDACTED]

28 April 1993

Dear Mr. Drake:

I am very thankful for your verbal commitment to let wolves inhabit property owned by GMS Timber. Your willingness to help our program reaffirms for me that others share my concern for the future of the red wolf. At this point it seems unnecessary to further contemplate an official agreement between GMS Timber and the Fish and Wildlife Service.

If we need to do ground work on your property I will call to arrange access. I added your name to my mailing list so you should receive monthly status reports about every 35 to 45 days.

Again, thank you for your help.

Sincerely,
